

## Wolf® LX-400 Accessories

Wolf offers a wide range of positioning, mounting, and protection accessories for the LinkEx™ LED Temporary Luminaire (LX-400 & LX-400E). These accessories include fixing kits, protective films, and cable management solutions, providing safer and more secure temporary lighting installations in hazardous work environments.

## TECHNICAL DETAILS

Wolf's LinkEx™ LED Temporary Luminaire accessories include plastic brackets with a snap-shut mechanism and screw to securely mount or hang the luminaire. These accessories offer flexible and sturdy mounting options for temporary lighting in hazardous environments.

Fixing Kits:

- **LX-690 Bracket Kit:** Fixes directly to flat walls.
- **LX-680 Magnet Bracket Kit:** Attaches to flat metal surfaces with magnets.
- **LX-678 Scaffold Bracket Kit:** Fits standard scaffold poles (47-51mm) with stainless steel pipe clamps.
- **LX-679 Unistrut Bracket Kit:** Attaches to channel systems.
- **LX-671 Eye Bolt / LX-672 Dual Eye Bracket Kit:** Suspends the luminaire with carabiners and S-hooks.
- **LX-670 Tripod Bracket Kit:** Attaches to tripod stands.
- **LX-654 Hanging Straps:** Hang from existing infrastructure.

Tripods:

Wolf’s tripods provide a stable platform for positioning the luminaire at various heights and angles. They are lightweight, steel-made, and can extend up to 3.2 meters, ideal for illuminating larger work areas with both unidirectional and omni-directional luminaires.

Films/Protective Covers/Cable Management:

To protect the luminaire and ensure its longevity:

- **LX-545/3 Anti-Static Protective Film:** Protects against dirt and contaminants while maintaining excellent light output. Contains 3 films per pack.
- **LX-621 Anti-Static Protection Cover Kit:** Protects the luminaire from dirt, paint, and other contaminants, helping extend its life. Contains 5 bags.
- **LX-374 Internal Diffuser Film:** Reduces glare in confined spaces.
- **LX-692 Magnet Cable Tidy:** Elevates cables to avoid trip hazards on metal surfaces.

| PRODUCT REFERENCE | PRODUCT DESCRIPTION  | NOTES   |
|-------------------|----------------------|---|
| LX-690            | Bracket Kit          | To mount one LX-400                                   |
| LX-680            | Magnet Bracket Kit   | To mount one LX-400                                   |
| LX-671            | Eye Bolt Bracket Kit | To mount one LX-400                                   |
| LX-672            | Dual Eye Bracket Kit | To mount two LX-400s side-by-side                     |
| LX-678            | Scaffold Bracket Kit | To mount one LX-400                                   |
| LX-670            | Tripod Bracket Kit   | To mount one LX-400 on a <a href="#">Tripod Stand</a> |
| LX-679            | Unistrut Bracket Kit | To mount one LX-400                                   |
| LX-654            | Hanging Straps       | 2 straps per pack                                     |

|          |                        |   |
|----------|------------------------|---|
| LX-674   | S Hook                 | 2 per pack - Length 150mm / Throat 55mm |
| LX-675   | Carabiner              | 2 per pack - Length 120mm / Gate 17mm   |
| LX-545/3 | Protective Film        | 3 per pack                              |
